SEED GROWERS AND WHOLESALE MERCHANTS

47 to 54 North Market Street,

BOSTON, MASS.

Wholesale Trade List.

It is generally known that unfavorable conditions at home and abroad during the growing and harvesting season, have seriously reduced the supply of many varieties of seeds, and that prices as a result are somewhat higher. We believe the actual shortage is not yet realized, and that there will be a **seed famine** before the end of the planting season of 1901. We therefore **recommend early buying** and the obtaining of better profits at retail than have prevailed for some years.

We also wish to state that while our stocks are limited, we have on hand at present a fair supply of most kinds of Beans, Peas, Corn and other vegetable seeds, and will promptly fill, at reasonable market prices, all orders sent us so long as supplies permit.

TERMS OF SALE.

VEGETABLE AND FLOWER SEEDS. — Net cash, June 1. A discount of 1% per month for unexpired time allowed for cash.

FIELD PEAS, GRAINS, GRASS, BIRD and other MISCELLANEOUS SEEDS. — Net cash 30 days, without any discount whatever. All bills not paid at maturity are subject to sight draft.

Remittances must be made direct to our Boston office.

The prices named are F. O. B., Boston, and are subject to change without notice. We do not bind ourselves to quantity. Orders will be filled at lowest prices the market warrants at date of shipment. Firm quotations made when desired.

All claims for shortage, errors or overcharge, must be made within five days after receipt of goods.

NOTICE. — While we exercise the greatest care to have all **Seeds, Plants, Bulbs and Nursery Stock** of the best kind, we do not give, and our agents and employees are forbidden to give any warranty, express or implied. If you do not accept these goods on these terms, you must return them at once, and all payments therefor will be refunded.

JOSEPH BRECK & SONS, (CORPORATION.)

The Telegraphic Cipher attached to each variety, if used in connection with the code for quantities, will enable customers to wire us orders at small expense. Prefix the word, **Freight, Express or Mail**, to designate the manner of shipment desired. The code word for quantities must always precede the words for seeds, although if the same quantity of several varieties is wanted, the quantity word need only be placed before the word for the first article ordered. For Example, "Freight Quapode, Blacklink, Baker, Beauty, Quanopsy, Brabast, Capture, Claubble," means, "Send immediately by first freight ten bushels each Early Carmine Podded Horticultural, Early Round Yellow Six Weeks and Yellow Cranberry Dwarf Beans, also five pounds each Arlington Early Turnip Blood Beet, All Season's Cabbage, and Early Half Long Scarlet Carrot." "Express Quaepsey, Brew," means, "Send immediately by express fifty pounds Improved Mammoth Long Red Mangel Wurzel." "Mail Quanomia, Chemic," means, "Send by first mail post paid, two pounds Premium Late Flat Dutch Cabbage."

NOTE.— Code used in this list is adopted by the American Seed Trade Association.

PRICE-LIST.

Beans, Corn and Peas, pages 7 to 12. Alphabetical List begins page 12.

REMARKS.

TIMOTHY. Brisk demand expected. Stocks are mostly out of growers' hands and higher prices may be looked for.

RED TOP. Stocks are of good quality and apparently small. At present, prices favor buyers.

CLOVER. The 1900 crop was of fair quality, but not large. Higher prices are likely.

BLUE AND ORCHARD. These are in shorter supply than a year ago and higher prices prevail.

HUNGARIAN AND MILLETS. There is little demand for these at present. Higher prices may be looked for.

OTHER KINDS. Steady as quoted.

When in want please write or wire for quotations and we will reply promptly, making low prices.

BRECK'S LAWN GRASS SEED.

By the courtesy of Luther Adams, Esq., of Newton, Mass., we produce here a partial view of his beautiful grounds. The fine lawns on Mr. Adams' estate are the product of BRECK'S LAWN GRASS SEEDS, and are but a fair representation of thousands of lawns raised from the same UNEQUALLED MIXTURE.

We have given much thought and made many experiments in order to ascertain just what is the best mixture for permanent lawns, and the grasses which are best suited to this climate. By the proper blending of the varieties which constitute Breck's Lawn Grass, we have obtained a mixture that from early spring to late fall will give to lawns made with it that rich, deep green so often admired upon the lawns and parks of England, but so seldom seen in this country.

Per case of 25 quarts	\$3.00
Per bushel, in bulk	3.25

We can supply other mixtures of so-called Lawn Grass Seed at competitive prices, but we recommend our own as being superior in every respect to all others. When desired we make special mixtures of Grasses to suit different soils and conditions.

BRECK'S "SHADY SPOT" LAWN GRASS.

This is a mixture of grasses that are naturally adapted for growing under trees and in places where the sun does not find ready entrance. If sown on such locations, in place of the ordinary Lawn Seed, bare and unsightly spots will be prevented. Per bushel, \$3.25.

BRECK'S BANK AND TERRACE GRASS MIXTURE.

A mixture of deep-rooting grasses specially prepared for embankments and situations where it is impractical to get a successful catch of the less spreading rooted sorts. It produces a rich velvety turf throughout the season. No coarse growing undesirable varieties are used in this mixture. Per bushel, \$3.25.

GOLF LINKS GRASS MIXTURE.

Since the game of Golf became so popular in this country, we have had frequent demands for mixtures of grass seeds, suitable both for the Courses and Putting Greens, and adapted to low, damp, as well as the thinner dry soils on the elevations.

It will be readily understood that no one mixture would be suitable for the different conditions. We have, therefore, prepared three mixtures.

No. 1. For Putting Greens. Sow at the rate of eighty pounds to the acre. Per lb., 12 cents.

No. 2. For light and dry soils. Sow at the rate of fifty pounds to the acre. Per lb., 12 cents.

No. 3. For low and damp grounds. Sow at the rate of fifty pounds to the acre. Per lb., 10 cents.

We will be glad to make special mixtures for other conditions of soil, etc.

SWEET PEAS.

WE ARE THE GROWERS.

We beg to call special attention to the list of Sweet Peas offered below. All of the varieties named were grown during the past season under our personal supervision. No seed grower or merchant can offer a purer or choicer quality of Sweet Peas than those we list. They are not the product of unselected volunteer crops, as many of those offered at low prices are:

BOSTON, MASS., February, 1901.

SPECIAL.

We are now booking contract growing orders for named sorts of Sweet Peas for delivery after harvest of 1901, as follows:

Pink Cupid, 30 cts. per lb.; White Cupid, 30 cts. per lb. Other varieties above listed, except the new Cupids, 17 cts. per lb., on orders of not less than 10 lbs. of any variety.

Terms, net cash, 60 days from date of invoice.

It is only on contract orders that we can afford to name such low prices. Dealers who buy in round lots will surely save money by placing orders immediately.

BRECK'S

1899 CROP

CHOICE FLOWER SEEDS

In offering the following list of Flower Seeds, we beg to state that all the sorts are strictly choice in every particular; being the same strains that are handled by us in Boston for our critical retail and florist's trade. The larger portion of the seeds were grown under our personal supervision, and in many cases the stock seed was furnished by ourselves.

We ask that you favor us with your orders in this line; because we believe the quality of our Flower Seeds will give you and your customers entire satisfaction. They are all the growth of 1900.

Please Note. Where any one variety of Flower Seeds is ordered at the prices annexed, no less charge than ten cents on any one item will be made by us. For instance, should you order one-half ounce of Balloon Vine, a charge of ten cents will be made; whereas one ounce will cost the same.

MISCELLANEOUS REQUISITES.

Baskets, Pansy or Verbena, Marston's Pattern. Wood or wire handles, standard size, 10 in. long, 5 in. wide, 3 in. deep, per 100, \$1.80; per 1,000, \$15.50. Large size, 12 in. long, 7 in. wide, 3 in. deep, per 100, \$2.50; per 1,000, \$22.00.

Brushes, Flat Paint For applying tree ink, and general use. Thoroughly well made and of good material. 3½ in. wide, \$2.00 doz.

Caps, Hay, Breck's Improved. Brown, medicated, complete with ropes and pins, 45 cts. each; \$40.00 per 100.

Color, Improved Butter. Wells, Richardson & Co.'s imparts the "golden tint of June" to butter at all seasons of the year. Bottles sufficient for 500 lbs., \$2.25 doz.; 1,250 lbs., \$4.25 doz.; 3,000 lbs., \$8.50 doz.

Color, Hanson's Butter. A universal favorite. Bottles, same as above.

Cotton Batting. For packing flowers, etc., per bale, 6 doz. sheets, \$2.75.

Food, Breck's Flower. This preparation is perfectly colorless and clean to handle. It is the most concentrated, safest and effective plant food on the market. Soluble in water, and no trouble whatever to prepare for use. It promotes a healthy, vigorous growth of wood, leaf and flower. Put up in two sizes — beautiful lithographed boxes.

No. 1, sufficient for 30 plants for one year, \$2.00 doz.

No. 2, sufficient for 30 plants for 3 months, \$1.00 doz.

Flower Food, Bradley's Lily Brand. No. 1, same as above.

Food, Imperial Liquid Plant. This preparation is said to contain all the food necessary for a healthy growth. It is in a liquid form and will be appreciated by those who grow plants in the house. Per doz. pt., \$2.25; doz. qt., \$3.80.

Glazing Points, Van Reyper, Perfect. The only durable and reliable points. Made of galvanized steel wire; no rights and lefts. Three sizes, Nos. 2, 2½ and 3. The Nos. 2 and 2½ are for general use; the No. 3 for extra heavy work. Price, per box of 1,000, 60 cts.; 5,000 and over, 55 cts. per 1,000.

Krop Kollar, Faye's Patent. This is one of the simplest, yet most useful articles that has been offered the gardener and farmer for the protection of early crops from cut worms, cold winds and frosts. It consists of a flexible fibre-board collar that can be quickly adjusted around plants, a glass roof easily fastened on, and a shutter for use in extra cold weather. We believe it will prove of great value for protecting corn, melons and other early or tender plants. \$4.00 per 100.

INSECTICIDES AND FUNGICIDES.

For Spraying Pumps and Appliances See Hardware Catalogue.

Arsenate of Lead. For spraying trees, etc. Does not burn the foliage. 5 lb. pails, per lb., 21 cents.; 10 lb. pails, per lb., 20 cts.; 20 lb. pails, per lb., 18 cts.; 50 lb. kegs, per lb., 17 cts.

Aphis Punk, Nikoteen. A special preparation of nicotine for the exterminating of green and black fly, thrip, etc., contains no ammonia and does not injure delicate plants. Per box of one dozen rolls (720 grains nicotine) 55 cents.

Bichloride of Mercury. (Corrosive Sublimate.) This article has been found very useful for preventing scab and other fungi disease of potatoes if used on the seed at planting time. We furnish Dr. O. G. Cilley's formula for using, with every package. Per box, sufficient for one barrel potatoes, 25 cts.

Bisulphide. For use in destroying lice on melons, cucumbers and other plants. A light, tight cover of cloth or paper is put over the hill, and under it a teaspoonful of Bisulphide in a small vessel. In an hour every louse under the cover will be dead. Per lb., 20 cts.

Breck's Liquid Anti-Ants. A preparation that destroys or drives away ants from lawns, trees, etc. 1/2 pt., per doz., \$2.50; pt., per doz., \$4.25.

Breck's Anti-Ant Powder. A preparation in powder form that contains the same qualities as the preceding, and can be used indoors as effectively as on small plants, flower beds, etc. Two sizes; per doz., \$2.50 and \$4.25.

Breck's Dalmation Insect Powder. ("Bubach.") Manufactured especially for us from clean, dried flowers. It is put up in air-tight packages and keeps its strength indefinitely. It is invaluable to the housekeeper for the destruction of flies, fleas, roaches, and other noxious insects. Packed in four sizes, .60, \$1.10, \$1.75, \$3.80 per doz.

Bordeaux Mixture. Powell's. Ready for use by simply adding water. Bordeaux Mixture is, we believe, the best fungicide known, and is really a specific for the blight and other diseases attacking potatoes, tomatoes, grapes, apples, pears, etc. 1-lb box, makes 5 gallons spray, 15 cts.; 5-lb box, makes 25 gallons spray, 60 cts.; 10-lb. box, makes 60 gallons spray, \$1.00; 25-lb. box, makes 125 gallons spray, \$2.50. Discount 15%.

Bordeaux Mixture. French. In pulp form. One gallon makes 50 gallons spray, per gal., \$1.00; per 5 gals., \$4.50, per 10 gals., \$8.00. Discount 15%.

Bordeaux Mixture. Lenox Brand. A liquid form. One gallon makes 50 gallons spray, per gal., 75 cts.

Bug Death. A patented *non-poisonous powder*, entirely different from anything yet offered for the purpose, and as effectual as Paris Green. It is sure death to the potato, squash and cucumber bugs, currant and tomato worms, also other plant and vine eating pests. If used according to directions injury cannot result to the most tender plants, and it has a tendency to assist growth. For potatoes a 12 1/2-lb. package is sufficient for an acre. 1-lb. box, 15 cts.; 3-lb. box, 35 cts.; 5-lb. box, 50 cts.; 12 1/2-lb. box, \$1.00. Discount 25%.

Bug Exterminator. "The Puritan." For water bugs, roaches and ants. Per doz., \$4.50.

		Canker Worm Exterminator. (Morrill's Tree Ink.) A sure protection to trees from the ravages of grub and canker worms. Directions with each can.

Carbolic Purifying Powder. For removing unhealthy odors. Small pkg., \$2.25 per doz.; 6-lb. pkg., \$9.00 per doz.

Carbolic, Crystallized. Per lb. bottle, \$4.00 per doz.

Carbolic Solution. Per lb. bottle, \$2.50 per doz.

Copperdine. Powell's. (A Paste.) A combined fungicide and insecticide, used simply by adding water in proportion of one pound of paste to 16 gallons of water. As a fungicide it prevents black rot, downy mildew and anthracnose of the grape, pear leaf blight, apple scab, mildew, pear cracking. As an insecticide it kills codling moths, curculio, pear insects, peach and apple borers, crown borers, leaf rollers. 1-lb. box, makes 16 gallons spray, 25 cts.; 5-lb. box, makes 80 gallons spray, \$1.00; 25-lb. box, makes 400 gallons spray, \$4.50. Discount 15%.

Dip, McDougall's Sheep. An effective, non-poisonous preparation for killing vermin on sheep, cattle, and domestic animals. Per lb., 50 cts.; qt., 75 cts.; 1/2 gal., \$1.50; 1 gal., \$2.50. Discount 20%.

Dip, Cooper's Sheep. A world-famous preparation, in powder form. It is easily carried, quickly prepared and most effective. Large pkg., sufficient to make 100 gallons, \$1.65; small pkg., to make 25 gallons, 42 cts.

Disinfecting Powder, Searle's. A powerful deodorizer, in powder form. Per doz., \$2.25.

For other Disinfectants, see Carbolic, Oil of Tar, Sulpho-Napthol, etc.

Ecizzo. A sure cure and prevention of water bugs, cockroaches, etc. Per doz., \$5.00.

Fir Tree Oil. Soluble. An invaluable preparation for destroying all insects and parasites that infest fruit trees, plants and animals whether on the foliage or at the roots of the plants. Per gal., \$3.25; qt., per doz., \$10.00; pt., per doz., \$6.50; ½ pt., \$4.50 per doz.

Fir Tree Oil Soap. This article contains no poison, yet is quite effective in destroying red spider, mealy bug, aphids, etc. It can also be used in the garden against potato bugs, cabbage worms, currant worms, black fly, etc. ½-lb. tin, \$2.25; 2-lb. tins, \$8.00 per doz.

Fostite. A light powder that can be easily applied with a bellows; destroys mildew, black rot and rust. Per 5-lb. pkg., 45 cts.; 25-lb. box, \$1.70.

Fungoid or Dry Bordeaux Mixture. In the form of a fine powder applied with bellows or a shaker when the foliage is damp. Said to be as effective as the liquid preparation. 1 lb., 10 cts.; 5 lbs., 50 cts.

Fungoid and Paris Green Compound. An insecticide and fungicide combined. Kills potato bugs and prevents blight, easily applied and desirable for fruit trees, etc. 1-lb. box, 20 cts.; 3-lb. box, 60 cts. *Discount 20%.*

Grape Dust. Destroys mildew on grape vines. Can also be used in the garden for mould, mildew or rust mites. 5-lb. pkg., 25 cts.

Hellebore. Breck's Pure Powdered. We furnish a guaranteed pure article, ground from fresh roots. It is easily applied either in liquid or powder form and destroys currant worms, rose slugs, etc. Each package has special directions for its effective use. Packed in three sizes, air-tight packages, .60, \$1.00 and \$1.80 per doz.

Kill-M-Right. A soap that is specially prepared to be applied with the "Stott" sprayers. It destroys red spider, mealy bug, aphids, etc. 5-lb. tins, \$1.75; 10-lb. tins, \$3.25; 20-lb. tins, \$6.00. *Discount 15%.*

Kerosene Emulsion. (A Paste). Ready for use by simply adding water. This is strictly an insecticide for plant lice of all kinds, rose bugs, cabbage bugs, melon insects, fowl, human and animal lice, caterpillars, tobacco flies, peach lice, red spider, green fly and all sucking insects. 1-lb. can makes 10 gallons spray, 15 cts.; 5-lb. can makes 50 gallons spray, 60 cts.; 25-lb. can makes 250 gallons spray, \$2.50; 300-lb. bbl. makes 3,000 gallons spray, \$24.00. *Discount 15%.*

Little's Antipe t. A safe and sure preparation for the destruction of all insect pests, equally suitable for greenhouse, garden and orchard. Per pt., 40 cts.; qt., 80 cts.; gal, \$2.00.

London Purple. For spraying fruit trees, potatoes, etc. 1 lb., 16 cts.

Lemon Oil. An oil that is readily soluble in water. It destroys insects and parasites of all kinds without injury to plants. Much used for palms and other ornamental foliage plants. Pt., 35 cts.; qt., 65 cts.; gal., \$2.00.

Nicomite. A new fumigating compound in powder form. It is used for destroying green and black fly, thrip, mealy bug, etc., in greenhouses and frames. It may be used in houses containing the most tender plants in full bloom without injury resulting, and its use does not affect the natural scent of the flowers. No. 1 tin, for 16,000 cubic feet of space, \$3.00; No. 2, for 7,500 feet, \$1.50; No. 3, for 5,000 feet, \$1.00; No. 5, for 1,750 feet, 50 cts. Fumigators with lamp for applying made to contain sufficient for 5,000 feet, 50 cts. each. *Discount 15%.*

NIKOTEEN

A LIQUID INSECTICIDE

with water in any proportion. It is a disinfectant cheap and unsurpassed for use in the home, the stable, kennel, or wherever a disinfectant is required. Circulars detailing its many uses mailed free upon application. Qt., 25 cts.; ½ gal., 50 cts.; gal., \$1.00. *Discount 25%.*

Paris Green and Fungoid. Per lb., 20 cts.; 3-lb. box, 60 cts. *Discount 20%.*

Paris Green, Breck's Guaranteed Pure. ¼ lb., 19 cts.; ½ lb., 18 cts.; 1 lb., 17 cts. per lb.

Quassaine. (A Paste.) Ready for use by adding water. This article is a non-poisonous insecticide, a specific for San Jose scale, red spider, aphids, hop lice, borers and scale insects of all kinds. 1-lb. can makes 25 gallons spray, 25 cts.; 5-lb. can makes 125 gallons spray, \$1.25. *Discount 15%.*

Slug Shot. Not only acts as an insect destroyer, but it will be found to be an excellent fertilizer. It contains nothing injurious to domestic animals, and does not deteriorate by age. On low-growing plants it should be dusted on with a very fine sifter. On tall shrubs and trees it should be applied with bellows. Price, 5-lb. pkg., 20 cts.; 10-lb. pkg., 40 cts.; in barrels of about 225 lbs., per lb., 3¼ cts.

Soap, Pinner's Tobacco. Manufactured from the essential oil of tobacco, for the destruction of all insects, parasites and their eggs. Per lb., 30 cts.

Soap, Whale Oil. For destroying insects on plants, trees, vines, etc., for washing down the bark of trees, grapevines, etc. In boxes, 1-lb., \$1.20; 2½-lb., \$2.25 per doz.

Soap, Sulpho-Tobacco. Rose's Perfected. Does perfect work on all insects affecting flowers, trees and animals. In tin boxes, sufficient for 10 gals. of water, \$2.25 per doz.

Soap, Permoll-Kerosene. This soap contains 25% of kerosene oil, and although solid in all ordinary temperatures it is quickly soluble in any desired proportion of water. It combines the properties of a "Resin Wash" and "Kerosene Emulsion." It destroys scale of every kind, aphides or active plant lice and all sucking insects. 1 lb. makes from 16 to 40 gallons wash or spray, according to the enemies to be overcome. Full directions for its use accompany each package. 1-lb. pkg., 20 cts.; 25-lb. pkg., 14 cts. per lb.; 50-lb. tubs, 12 cts. per lb.

Soap, Permoll-Copper. This preparation contains copper in a form practically soluble in water, until thoroughly dried. In using it for *mildew, rust, smut*, and such fungi a strength of 1 lb. to 30 gals. of water is recommended. Do not dissolve it in iron or zinc utensils. 1-lb. tins, 65 cts; 10-lb. tins, 60 cts. per lb.

Spanish Pink. A safe and effective article for the destruction of cabbage and web-worms, caterpillars, and other chewing insects that affect cabbage, squash, cucumbers, melons, etc. Non-poisonous, 25 cts. per lb.

Sulphate of Copper. (Blue Stone). Per lb., 7½ cts.

Sulphur, Flowers of. Used to prevent and cure mildew on plants. \$.425 per 100 lbs.

Tobacco Extract. Black Squall Brand. Pure, highly concentrated; hydrometer test, after Beaume's scale 40 degrees, temperature 60 degrees Fahrenheit, being of uniform strength, is always effective. It can be applied by vaporizing or spraying. It effectually destroys green fly, red spider and scale. Per pt., \$.20 per doz.; per qt., \$.35 per doz.; per gal., 80 cts.; 5 gals., \$.325.

Tobacco Extract. Rose Leaf Brand. A perfectly pure, aqueous extract, highly concentrated and always uniform in strength of nicotine poison. Destroys green fly, mealy bug, red spider, and scale. Pts., \$.25 per doz; qts., \$.40 per doz.; 1 gal., \$1.00; 5 gals., \$.425.

Tobacco and Sulphur Powder. Prevents and cures mildew. Kills green and black fly and other insects. \$.50 per 100 lbs.

Tobacco Dust. Very finely pulverized. A valuable insecticide and fertilizer. \$.250 per 100 lbs.

Tobacco Stems. For fumigating. If used as a mulch around sweet peas and other plants they prevent the destructive work of the wire and cut worms. \$.150 per bale.

XL-All Liquid Insecticide. For syringing, spraying, dipping, or sponging. Destroys all insects, especially effective against mealy bug and red spider. Can be used without injury in graperies, even when the fruit is in an advanced stage of growth. Pt., 65 cts.; qt., \$1.00. *Discount 20%.*

XL-All Vaporizing Compound. This is an English preparation, that at the first glance has a high-priced appearance. The safety with which it can be used, its never-failing effectiveness and the ease with which it can be applied as an insecticide, places it at the head of the first rank. It is cheaper, results considered, than any other vaporizing compound, and there is no other like it. Its action is positive on *Mealy Bug, Thrip, and all kinds of Aphids*. Price per bottle No. 1, \$.825; No. 2, \$.450; No. 3, \$.225; No. 4, \$.15. The smallest bottle is sufficient to fumigate 5,000 cubic feet. *Discount 20%.*

Fumigators. With lamp for vaporizing: large, \$1.00; medium, 85 cents. *Discount 20%.*

TOUGH ON FLIES.

This is the original preparation for the purpose of preventing insects attacking horses, cattle, and other domestic animals. We have sold it for ten years; each year with largely increased sales. We confidently recommend it, as experience has proved it to be as represented, in every particular. Harmless and effective. One application

instantly and positively relieves horses and cattle from all annoyance from *Green Heads*, the dreaded *Texas Heel Fly* as well as other flies, gnats and insects of every description for at least twenty-four hours. It improves the coat of the animal and abolishes the use of fly nets. It prevents thrush and other hoof diseases. It is soothing and healing if applied to sores, and stands unrivalled as a disinfectant. Applied to cows, its wonderful effect in securing for them perfect rest and a chance to feed in peace quickly manifests itself in their improved appearance and by the

increased quantity of milk given. It is the greatest compound of this progressive age. Recommended by thousands using it. One gallon lasts four head of horses or cattle an entire season. Price of "Tough on Flies": Qt. cans, \$.450 per doz.; ½ gal. cans, \$.900 per doz.; 1 gal. cans, \$1.500 per doz.; 5 gal. cans, \$1.15 per gal.

ANTI-FLY.

A harmless, but effective preparation of drugs and chemicals to relieve horses and cattle from the annoyance of flies and other insects. It contains no tar, nor does it spoil the appearance of the animal's coat. Price, per qt., \$.450 per doz.; ½ gal., \$.900 per doz.; per gal., \$1.500 per doz.; 5 gal. cans, per gal., \$1.15

INSECTICIDE DISTRIBUTORS.

For spraying apparatus, pumps, etc., see our large Implement Catalogue, 360 pages, free to customers.

Bellows. Woodason's for liquid and powder. These are really high-grade goods that will, with proper care, last many years and do satisfactory work.

Dusters, Tin. These have finely perforated bottoms for applying Paris Green, Slug Shot, etc. \$1.50 per doz.

Gun, Excelsior Powder. For applying insect powders, etc. \$1.00 per doz.

Cyclone Powder. \$1.00 per doz.

Blizzard Powder. \$0.65 per doz.

Powder Puff, Scollay's Insect. This

is a large, strong rubber bulb, with long metal neck and distributor set at an angle that enables the operator to apply either powder or liquid over or under the leaves. \$9.00 per doz.

Shaker Perfection Powder. This is well named "Perfection," for it is the most perfect and easiest to use of any shaker yet offered. It was gotten up especially to apply Bug Death, but it will be found useful for applying Plaster Dust, Paris Green and Plaster or any other powder. The bottom is made of copper and finely perforated. The powder is distributed by a swinging, semi-circular motion. Doz., \$7.80. Discount 25%.

FERTILIZERS.

BRECK'S LAWN AND GARDEN DRESSING.

The verdict of all who have used Breck's Lawn and Garden Dressing is that it is the most complete and satisfactory Lawn Dressing ever placed upon the market. It is manufactured expressly for us and we vouch for its containing all the constituents required to produce a luxuriant growth. We believe beyond a question that ours is the only absolutely odorless Lawn Dressing. It is also so clean that the most fastidious person can apply it without offending the organs of sight and smell. It being quick in action, the effect can be seen immediately after the first rain or the sprinkling of the hose, and going directly to the roots of the grass, stimulates them to greater activity, thereby thickening the sward and producing a firmer growth, which remains rich, green and velvety throughout the season. Its superiority over stable manure can scarcely be estimated, as the latter, in addition to disfiguring the lawn by its unsightly appearance, also gives out an unpleasant odor, and always contains weeds and other undesirable seeds. Great care should be taken to distribute the dressing evenly, and in no greater quantities than recommended on the tag which accompanies each bag, as a too liberal application will injure the sward. It can be applied at any time during the year, from April to November, as often as the grass seems to need nourishment. In making new lawns apply at the same time the seed is sown and rake in with the seed. Never apply the dressing while the grass is wet with dew or rain. Any time the grass is perfectly dry will answer, but the best time to apply it is just before a shower. It is equally as suitable for flower beds and all vegetable crops as for the lawn.

BRECK'S MARKET GARDEN MANURE.

A high grade, properly balanced, chemical fertilizer that is expressly recommended to market gardeners and farmers for potatoes and all vegetable crops. We sold large quantities of it last year, and already we have had many testimonials, also increased orders from those who had it for use Spring of 1899. *It is beyond a question the best value offered in Chemical Fertilizers.* 50 lbs., per ton, \$32.00; 100 lbs., per ton, \$30.00.

PERUVIAN GUANO.

For a number of years there has been some difficulty in obtaining a desirable grade of this article. When a good quality is to be had there is much satisfaction resulting from its use, especially on early vegetables and quick growing crops. We have made arrangements with the importer of the *best brand* that sells so freely in Britain and offer our patrons the *genuine "Peruvian"* in original bags.

Per ton, \$45.00.

UNLEACHED HARD WOOD ASHES.

Our trade in this valuable fertilizer has grown to such an extent that we have for a number of years had an experienced agent employed in Canada collecting the purest, driest and choicest grade of Hard Wood Ashes that is obtainable. We guarantee the percentage of potash and to insure against too much water we accept none that contain more than 12 per cent moisture. *We quote special prices on carloads in bulk delivered anywhere.* Price per ton, in barrels, f. o. b. Boston, \$13.00; per barrel, f. o. b. Boston, \$1.65.

This is a pure natural manure, and nutritious food for plants. Its effect is immediate. It is the best of all manures for mixing with the soil for greenhouse plants—one part manure and six parts soil. Price, in bags of 100 lbs. each, \$1.75; per ton, \$30.00.

A chemically prepared vegetable fibre, rich in plant food, and from its peculiar character is especially suitable to induce root growth and cause healthy, vigorous plants. For sprouting seeds there is nothing equal to it. **Jadoo preparations**
Fibre. Per ton, \$30.00; 100 lbs., \$1.75.
Liquid. Ten gal. can, \$6.00; 5 gal., \$3.25. **net f. o. b. Boston.**

This new departure in fertilizers bids fair to become popular as soon as its merits are known. Being in liquid form and immediately soluble, it will be found of great value to those who grow vegetables or flowering plants under glass. Last season it was extensively used on Putting Greens with pleasing results.

Imperial Liquid Vegetable Fertilizer }

This is much used by florists and gardeners, both as a fertilizer and fungicide. Mixed with Flowers of Sulphur (two-thirds soot, one-third sulphur), there is nothing better to prevent and cure mildew. Used as a fertilizer, either in the dry state or in liquid, it quickly promotes growth and heightens the color of both flower and foliage. Per 100-lb. bag, \$2.00.

BRECK'S POULTRY AND SWINE MEAL.

This article is the most complete animal food for poultry obtainable. It is concentrated, pure, palatable and effective. It was first offered to the American public in 1892, but it has since that time found its way into the yard of the most progressive poultry men in the country, because it is superior in every respect to all other meals made from meat or animal matter.

Copperas. (Green Stone.) 2 cts. per lb.

Carbolic, Crystallized. 1 lb. bottles, \$4.00 per doz.

Carbolic Acid Solution. 1 lb. bottles, \$2.50 per doz.

Carbolic Purifying Powder. Small, \$2.25 per doz.; large, \$9.00 per doz.

Dalmation Insect Powder. Per lb., 30 cts.

Slug Shot. This article is not only a valuable insecticide but also a powerful disinfectant. Per 5 lb. pkg., 20 cts.

Death to Lice. 15 oz. box, \$1.50 per doz.; 3 lb. pkg., \$3.60 per doz.; 100 oz. pkg., \$7.20 per doz.

Death to Lice, Special. A preparation containing all the qualities of the famous "Death to Lice Powder," but which is soluble in kerosene oil and can be used to paint or spray roosts and interiors of poultry houses. 1 lb. box, \$1.50 per doz.

Death to Lice Ointment. For use on young chicks. 60 cts. and \$1.50 per doz.

POULTRY SUPPLIES.—Continued.

"O. E. C." Lice Powder. An excellent article. It not only is death to all insects but acts as a powerful yet pleasant disinfectant. Per doz., \$4.00.

P. D. Q. Powder. A valuable preparation that not only destroys and prevents insects of all kinds on fowls, but drives away quickly all sorts of insects that pester the housewife. It is useful for a hundred and one purposes and not the least among them is that of disinfectant. Per doz., \$2.00 and \$7.80.

Rice's Lice Paint. For poultry and all domestic animals. Kills ticks, mites, lice, fleas and bed-bugs. Easy to apply. 2 qt. can, per doz., \$4.50; 1 gal. can, per doz., \$6.75.

Tobacco Dust. An exceedingly fine powder. Valuable as an insecticide. Per 100 lbs., \$2.50.

Tobacco Stems. Used to mix with nest material, fumigating, etc. Per bale, \$1.50.

Sulpho-Naphthol. This preparation, originated by the late Dr. Cabot, is recommended for a great many purposes. It cleans and heals all sorts of cuts, bruises and sores. It is sure death to all kinds of bacteria and insects and is unsurpassed as a disinfectant. For domestic animals, poultry and poultry houses it is the thing. Per doz., \$4.00 and \$8.00.

Oil of Tar. A new coal tar preparation, somewhat similar to Sulpho-Naphthol. Per qt., 25 cts.; ½ gal., 50 cts.; 1 gal., \$1.00. *Discount, 25%.*

Veterinary X-Zalia. A purely vegetable preparation, contains no alcohol or poisonous ingredients. It may be applied to a raw surface or even poured into the eye of an animal without causing pain. It cures Galls, Scratches, and Surface Inflammation of every description. Per doz., \$10.00.

Plaster. Land. A valuable absorbent, when mixed with the droppings it deodorizes, also enhances their value as a fertilizer. 100-lb. bags, \$8.00 per ton.

Nest Eggs, China. Per gross, \$2.75

Medicol Nest Eggs. These are medicated eggs but entirely different from anything that has hitherto been offered. They can be cleaned without injury, are lasting, effective, and appreciated by chickens and adult fowls. No hen should be set without one of these in the nest as a preventative of vermin. One placed in a bird cage keeps it sweet and the bird free from insects. They drive away lice from pot plants, prevent moths from attacking furs or other clothes when packed away, and are also valuable as a disinfectant. Per gross, \$9.00

Bellows, Spraying. Per doz., \$12.00 to \$22.00.

Bellows, Houchin's Patent Powder. Per doz., \$4.50 to \$12.00.

Brushes, Whitewash. Tampico centre, bristles outside. Per doz., \$3.35, \$3.75 and \$4.25.

Nests, Wire. Strong and clean. Per doz., \$3.50.

Leg Bands. The famous Phoenix, secure, neat, light and superior to all others. Numbered to order. Per 100, \$1.25.

Leg Bands, Aluminum, for Pigeons. Seamless, per doz., 30 cts.; per 100, \$2.00. Open, per doz., 20 cts.; per 100, \$1.00.

Leg Bands, Aluminum, for Poultry. Per doz., 20 cts.; per 100, \$1.00.

Pumps, Breck's Hand Force is a double-acting portable force pump. It is made of brass, and therefore impervious to the action of acids and liquids, and will not rust or corrode. Pump is placed directly in water or other liquid, insuring a perfect suction. It is furnished complete with malleable foot-rest and suitable nozzles for a solid stream and large spray. Pump may be used for washing windows, wagons, in conservatories, gardens, etc., and for general spraying purposes. Price, \$3.75 each.

Guns, Insect Powder. 2 oz., \$1.00 doz.

STONE DRINKING FOUNTAIN.

This fountain is of the best patent stoneware, and is very desirable.

½ gallon each	Per doz.,	\$2.50
1 " " "	" "	3.00
2 " " "	" "	4.25

"E. H. M." Stone Fountains. Made of glazed stoneware, in two pieces; a saucer and an inverted cup, finished off on top to prevent roosting. Strong, cheap, easily cleaned and quickly filled. The best stoneware fountain yet offered. The one quart size is *especially suitable for pigeons*. 1 qt., per doz., \$2.00; 2 qts., \$2.75; 1 gal., per doz., \$3.25.

Sanitary Fountain. Square in form, made of galvanized iron, in two pieces, easily cleaned and filled. 1 gal., per doz., \$5.50; 2 gal., per doz., \$8.50.

HUB DRINKING FOUNTAIN.

This fountain is made of the best galvanized iron, is very strong, easily cleaned, quickly filled, and is equally serviceable for both chickens and adult fowls (see cut). This fountain is vastly superior to all others.

1 gallon	Per doz.,	\$6.00
2 " "	" "	9.00

GENUINE PRAIRIE STATE INCUBATORS AND BROODERS.

The least that can be said of these famous incubators is "*they are without equal.*" The U. S. government uses them exclusively at the Experiment Stations at Washington, D. C. The largest poultry breeders in the country also use them exclusively, and they are the standard from which all incubators are judged.

Price on application.
